EDUCATION

Shiv Nadar University

Bachelor of Technology | Minor: Economics

– Relevant Coursework: Statistics, Financial Markets, Data Interpretation, Microeconomics

Delhi NCR

Aug 2023 – Present

St. Dominic's Sr. Sec. School

Class 12th – 79.8%

Mathura

2022

EXPERIENCE

Data & Admissions Operations Analyst — Intern

Jan 2025 – Aug 2025

Shiv Nadar University

Delhi NCR

- Classified and analyzed **2,000+ student inquiry records** using pattern-detection frameworks, surfacing **12 recurring funnel friction points** that directly informed process redesign.
- Executed **20+ insight-led counseling sessions** grounded in historical outcome data, significantly improving first-contact resolution metrics across the admissions cycle.

PROJECTS

Automated Startup Outreach System

n8n, Claude API, Google Sheets, API

AI-Powered Pitch Deck Intake Automation

- Engineered an end-to-end email automation that scans 100% of incoming emails every 60 seconds, uses Claude AI to analyze and extract 20+ structured data points from startup pitch deck PDFs, and auto-rejects non-pitch-deck emails with zero manual intervention.
- Reduces pitch deck processing time from **15–20 minutes of manual work to under 90 seconds**, ensuring no deal is missed, every submission is archived, and the full deal pipeline is visible in a single spreadsheet in real time.

FitMe—Virtual Try-On Chrome Extension

Chrome Extension, Node.js, IDM-VTON, Replicate API

Demo

- Built a Chrome extension that lets users virtually try on clothes from any fashion website on their own photo — works across Uniqlo, Zara, H&M, Amazon Fashion out of the box with zero per-site setup.
- Engineered a **Node.js + Express backend** integrated with IDM-VTON on Replicate for AI-generated try-ons in 10–15 seconds, with result caching to eliminate repeat costs.
- Built an **Outfit Builder** for multi-garment try-ons, a Saved Looks gallery, size recommendation, and skin tone colour compatibility — all user data stored on-device only, never on the backend.

POSITIONS OF RESPONSIBILITY

Secretary

Apr 2025 – Present

ASME – Shiv Nadar University Chapter

- Designed full semester roadmap and coordinated technical and non-technical events for the chapter.

Team Captain – ASME EFest XR Challenge

Sep 2024 – Mar 2025

World Rank #4 out of competing global teams

- Led a 7-member interdisciplinary team to design an autonomous vehicle completing the course in < 15 seconds.

Freshman Coordinator

Apr 2024 – Apr 2025

ASME – Shiv Nadar University Chapter

- Structured and led recruitment interviews for **50+ engineering students** across disciplines.
